Resource every area of learning to enrich the curriculum

# Achieve Excellence in Education

Welcome to Early Excellence, a unique and highly-specialist organisation with an unparalleled reputation for supporting schools in the UK and internationally to develop the very best practice and provision for EYFS and KS1. We are passionate about supporting children's learning, development and progress; and provide a wide range of services, products and solutions to support sustainable school improvement.

Our experienced Senior Team engage with School Leaders to offer strategic advice for rapid improvement planning, and our expert Curriculum Team deliver high-quality consultancy and training to support teaching, learning, curriculum and assessment.

As you look through this brochure, which highlights our bespoke training services and classroom solutions for children aged 2-7yrs, we hope that our knowledge of best practice and commitment to quality shines through.

We would love to support your work and help you to achieve your vision for early learning.

With best wishes

*Phil Armstrong*

Phil Armstrong  
International Services Lead

# Invest in an Ethos of Excellence

By investing in support from Early Excellence you gain access to our unique and highly informed perspective, grounded in research of early childhood pedagogy. We aim to support effective practice underpinned by an ethos which respects each individual child, values the learning environment and invests in the role of the adult.

In striving to help schools achieve high outcomes for children, we bring expertise to support all staff in strengthening knowledge and understanding of EYFS and KS1 practice; building confidence in a successful curriculum model, which enables progress, has a focus on teaching and learning, yet remains centred around the child.

Valuing the importance of establishing well-planned, rich and stimulating learning environments to underpin children's personal development and academic achievement, we specialise in supporting schools to unlock the potential of the provision and maximise links to the curriculum.

Practical, adult directed group work to introduce, practice and apply key learning

Deep level involvement with carefully planned enhanced activities that connect with children's interests

Highly-engaged self-initiated learning with open-ended continuous provision materials

# Commission a Programme of Support

If you are searching for a tailored programme of consultancy and training planned to meet the needs of your team and specific development priorities, look no further than Early Excellence!

With expertise in early primary education, and a proven track record of achieving immediate and long-term impact, we offer support to strengthen leadership, improve teaching, refine curriculum, transform practice and provision and raise outcomes for children in EYFS and KS1.

We can work with you to craft an individualised support package including reviews, quality assurance, consultancy, coaching or training, and can join you onsite, online or through a blended approach to suit your needs.

So, for a comprehensive programme of support to drive forward your improvement plans, do get in touch. We'd be delighted to create a bespoke package for you.

Engage in high-quality professional discussions about your school and specific context

Access inspirational and impactful training tailored to your priorities

"Working with Early Excellence has been an amazing experience.

The consultancy was first class and the staff felt supported and inspired by the experience and expertise shared.

Our classrooms have become high-quality environments which are helping to elevate children's learning beyond our expectations.

We very much look forward to working with the Early Excellence team again."

Create an attractive learning environment with well defined areas

Choose the height that best suits the age of your children

## Low Level

**Dimensions**  
H70 x L90 x D45cm

These units have been designed to offer low level shelving for the display of accessible resources and books. The closed shelving unit has the option to add a mirror back.

10 year guarantee

## Mid Level

**Dimensions**  
H98 x L90 x D35cm

These units have been designed to make the most effective use of space and offer role play, book and easel options. Available with display board, white board and mirror options.

10 year guarantee

## High Level

**Dimensions**  
H105 x L125 x D40cm

These units provide clearly defined areas of provision for larger classrooms. Graduated shelves make resources accessible. Shelving, book, role play and easel units are available in five style options.

10 year guarantee
